PROFESSIONAL EXPERIENCE

Senior Project Engineer — Bernards Builders, Los Angeles, CA

Jul 2019 - Aug 2023

- Organized and controlled project elements for 8 structural and finish trades from pre-construction to punchlist (project completion process) on a \$120M multi-family project
- Communicated current progress and potential obstacles of respective trades to owner during key stakeholder meetings
- Managed interns by providing mentorship on construction processes, directing work assignments, and conducting periodic performance reviews
- Supported transition of new team members through training on project-specific software
- Initiated coordination between design and construction teams through targeted meetings, job site walks, and formal records of contract questions to resolve field issues

Project Engineer Intern — Herrero Builders, San Francisco, CA

Jul 2018 - Sep 2018

Jun 2017 - Aug 2017

- Authored formal information requests to architect by collaborating on site with field team to resolve conflicts and clarify contract requirements
- Assisted project engineer in completing final outstanding construction items by overseeing item resolution by subcontractors and coordinating with owner and end users to establish expectations

VOLUNTEER EXPERIENCE

Hack for LA, Los Angeles, CA

Jun 2024 - Aug 2024

Civic Tech Organization

- Implemented updates to a live website by contributing to an open-source repository
